

K5

This revolutionary drinking water system is so advanced it can remove nearly everything from tap water that isn't water.

The Kinetico K5 produces crystal clear, great tasting water straight from a tap, on demand, 24/7.

- Reverse osmosis system with up to 5 cartridge options.
- Unique QuickFlo® tank technology to ensure a strong and steady flow.
- Patented and exclusive EverClean® Rinse to prolong life of RO membrane.
- PureMometer® to show filter life.
- MACguard® to minimize flow of unfiltered water.

Specifications:

Dimensions	
System (w x d x h)	150 x 394 x 483 mm
Weight	12,2 kg
Flow	
Pressure Range	2,5 - 8,5 bar
Production	
Daily Production Rate	130 - 193 litres/day
Reject Rate (NaCl/CaCO3)	98 - 99%
System	
Storage Tank	11 litres
Prefilter	Carbon Sediment
Temperature Range	1,7 - 37,8°C
Postfilter	Activated Carbon Block
Additional Cartridges	2 (optional)

Pre-filter - 5 Carbon/Sediment

Post-filter - Activated Carbon Block

Membrane

Available extras:

Purefecta®, Mineral Plus, Arsenic, VOC Guard
